Financial Secretary Report

Starting in March our council will no longer be able to send the newsletter at the bulk nonprofit rate, because we fall below the 200 newsletters each mailing. The council will be paying first class postage instead of the bulk rate of 19 cents. If you have an email address and are currently receiving a paper newsletter please send me your email address, we will then send the monthly newsletter to your email address. My email address is donkoller651@gmail.com

We have received over 170 dues responses. Thank you for all the dues that have been received. The Intent to Retain dues notice will be sent after the Membership Meeting in April for the dues that have not been received. Please mail in your dues as soon as possible to save the council postage. If you have any questions about your membership, please send me an email or give me a call, my email and phone are listed at the end of this update. By the way, I will be stepping down as Financial Secretary at the end of June, 2019. This is a paid stipend position within the council. Financial Secretary is a critical position for the council. It is best for the council to have more that one person have knowledge of the Financial Secretary. I am asking for one of our council members to step up. It is a 3 year commitment. If you are interested, I can send you a list of duties. My email is donkoller651@gmail.com or my phone number is: 651-439-7995.

Thanks,
Brother Don Koller
Financial Secretary
